

IN THE COURT OF CHANCERY OF THE STATE OF DELAWARE

IN RE AMC ENTERTAINMENT
HOLDINGS, INC.
STOCKHOLDER LITIGATION

CONSOLIDATED
C.A. No. 2023-0215-MTZ

**AFFIDAVIT OF PAUL MULHOLLAND
CONCERNING MAILING OF POST CARD NOTICE**

I, Paul Mulholland, declare as follows:

1. I am the President of Strategic Claims Services (“SCS” or the “Notice Administrator”), a nationally recognized class action administration firm. I have over 30 years of experience specializing in the administration of class action cases. SCS was established in April 1999 and has administered over 525 class action cases since its inception. I have personal knowledge of the facts set forth herein, and if called on to do so, I could and would testify competently thereto.

2. Pursuant to the Scheduling Order with Respect to Notice and Settlement Hearing, entered on May 1, 2023, SCS was retained as the Notice Administrator to send a post card notice to record and beneficial owners of AMC Entertainment Holdings, Inc. (“AMC”) Common Stock¹ in connection with the proposed Settlement of the above-captioned action.

¹ All terms with initial capitalization not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Compromise, Settlement, and Release, dated April 27, 2023.

3. I submit this Affidavit in order to provide the Court and the Parties with information regarding the post card notices mailed to potential Settlement Class Members.

4. SCS mailed, by first class mail, postage prepaid, the post card notice to 16,382 record holders identified in the transfer records that were provided to SCS on May 1, 2023 by Weil, Gotshal & Manges LLP, counsel to AMC. This record reflects the individuals and entities that owned AMC Common Stock for their own account, or for the account(s) of their client(s), as of May 1, 2023. The mailing of the post card to record holders of AMC Common Stock was completed on May 8, 2023. A true and correct copy of the post card notice is attached as **Exhibit A**.

5. As in most class actions of this nature, the large majority of potential Settlement Class Members are expected to be beneficial purchasers whose securities are held in “street name” — *i.e.*, the securities are purchased by brokerage firms, banks, institutions, and other third-party nominees in the name of the nominee, on behalf of the beneficial purchasers. The names and addresses of these beneficial purchasers are known only to the nominees. SCS maintains a proprietary master list consisting of 851 banks and brokerage companies (“Nominee Account Holders”), as well as 1,505 mutual funds, insurance companies, pension funds, and money managers (“Institutional Groups”), who are

nominees of beneficial purchasers. On May 3, 2023, SCS caused a letter to be mailed or emailed to the 2,356 nominees contained in the SCS master mailing list. The letter notified them of the Settlement and requested that, within five business days from the date of the letter, they either send or email the post card notice to their customers, beneficial owners who may have purchased or owned AMC Common Stock during the Class Period, or provide SCS with a list of the names and mailing addresses or email addresses of such beneficial owners so that SCS could promptly either mail or email the post card notice to such beneficial owners. A representative example of the letter sent to these nominees is attached as **Exhibit B**, and the nominee list is attached as **Exhibit C**.

6. On May 8, 2023, SCS sent a post card notice for Depository Trust Company (“DTC”) to publish on its Legal Notice System (“LENS”). LENS provides DTC participants the ability to search and download legal notices, as well as receive email alerts based on particular notices or particular CUSIPs once a legal notice is posted.

7. Within five business days of receipt of a response from any nominee for beneficial holders of AMC Common Stock, SCS either mailed or emailed post card notices to such beneficial holders or provided the nominee with post cards to mail to such beneficial holders. Attached as **Exhibit D** is a list of the nominees who responded, when they responded, and when the mailing or emailing of the

post card notice to beneficial holders of AMC Common Stock was completed. Prior to May 31, 2023, SCS and nominees for beneficial holders of AMC Common Stock mailed or emailed approximately 2.8 million post card notices to beneficial holders of AMC Common Stock.

8. Throughout the notification process, SCS called and sent reminder notices to targeted nominees, who did not respond within five business days of receiving the letter notifying them of the Settlement, but typically respond to securities class action settlements. Between May 10, 2023 and May 31, 2023, SCS placed approximately 45 follow-up calls and emails to targeted nominees. Attached as **Exhibit E** is a chart showing SCS's follow-up efforts.

9. Out of the post card notices mailed, 2,640 were returned as undeliverable. Of these, the United States Postal Service provided forwarding addresses for 529, and SCS immediately mailed another post card notice to the updated addresses. The remaining 2,111 post card notices returned as undeliverable were "skip-traced" to obtain updated addresses, and 1,095 were re-mailed to updated addresses.

I declare under penalty of perjury under the laws of the State of Delaware that the foregoing is true and correct.

Signed this 7th day of June 2023, in Media, Pennsylvania.

Paul Mulholland

Subscribed and sworn to before me this

THIS CARD PROVIDES ONLY LIMITED INFORMATION ABOUT THE LITIGATION.
PLEASE VISIT INVESTOR.AMC THEATRES.COM/NEWSROOM/DEFAULT.ASPX FOR MORE INFORMATION.

The Court of Chancery of the State of Delaware (the “Court”) has scheduled a hearing to consider whether to approve a proposed Settlement in the Action captioned above. The proposed Settlement would resolve all claims in the Action captioned above.

You received this notice because you may have held AMC common stock during the period from August 3, 2022 through and including the record time, expected to be set as of the close of business in accordance with any New York Stock Exchange and/or Depository Trust Company requirements or policies, on the business day prior to Conversion on which the Reverse Stock Split is effective (the “Class Period”), and you may be a Settlement Class Member. The Settlement was reached between Usbaldo Munoz, Anthony Franchi, and Allegheny County Employees’ Retirement System (“Plaintiffs”) and Adam M. Aron, Denise Clark, Howard W. Koch, Jr., Philip Lader, Gary F. Locke, Kathleen M. Pawlus, Keri Putnam, Anthony J. Saich, Adam J. Sussman, Lee Wittlinger, and AMC (“Defendants”), and consists of a payment to the record holders of common stock as of the Settlement Class Time of one share of common stock for every 7.5 shares of common stock owned by such holders (after giving effect to the Reverse Stock Split) (the “Settlement Payment”). No fractional shares of common stock will be issued. Record holders of common stock who would otherwise be entitled to receive a fractional share of the Settlement Payment will receive a cash payment in lieu thereof in the same manner as will be provided in connection with the Reverse Stock Split.

You can file a written statement in support of, or objection to, the Settlement that is required to be received no later than May 31, 2023, in accordance with the instructions set forth in the Notice and the letter that the Court published to AMC stockholders, which will be posted on the “Investor Relations” section of AMC’s website, investor.amctheatres.com/newsroom/default.aspx.

A hearing (the “Settlement Hearing”) will be held before Vice Chancellor Morgan T. Zum on June 29-30, 2023, at the Leonard L. Williams Justice Center, at 500 N. King Street, Wilmington, Delaware to, among other things: (i) determine whether the proposed Settlement is fair, reasonable, and adequate to the Settlement Class; (ii) determine whether a Judgment, should be entered dismissing the Action with prejudice as against Defendants and lifting the Status Quo Order; (iii) determine whether the application by Lead Counsel for an award of attorneys’ fees and expenses and incentive awards should be approved; (iv) hear and rule on any objections to the proposed Settlement, Lead Counsel’s application for an award of attorneys’ fees and expenses, and/or Lead Counsel’s application for incentive awards to Plaintiffs; and (v) consider any other matters that may properly be brought before the Court in connection with the proposed Settlement. Please visit the “Investor Relations” section of AMC’s website, investor.amctheatres.com/newsroom/default.aspx, or Lead Counsel’s websites, blbglaw.com, getlaw.com or fksfirm.com, for more information.
